Notes:
If a district winner from a district that is to host the regional finals is defeated, the district runner-up from that district shall host the regional finals. (Example: If it is district 2's time to host the region and the district 2 winner is defeated, the district 2 runner-up (provided that team wins) shall host the regional finals. If both teams from district 2 are defeated in the regional semi-final games, the district 1 winner shall host the regional finals.)
